

Government of Pakistan
Ministry of National Health Services, Regulations & Coordination
Drug Regulatory Authority of Pakistan

Attention:

**Manufacturers of Pharmaceuticals
and Biological Drugs**

Public, in general, and Pharma Industry, in particular, is informed through this Public Notice that Drug Regulatory Authority of Pakistan (DRAP) has deployed an online application management system namely Pakistan Integrated Regulatory Information Management System (PIRIMS) for filling and processing of applications and for discharge of its functions through e-system.

In the initial phase, **applications for site verification for establishment of a Pharmaceutical Unit and Grant of Drug Manufacturing Licence** would be filed and processed on PIRIMS. Thereby, applicants would be able to file their applications from their offices/ home and receive the regulatory communication/ letters/ shortcomings/ reply through this online system.

Manufacturers of Pharmaceuticals and Biological drugs are invited to file their applications through PIRIMS. No application in hard form would be accepted after **03rd May 2021**.

You are advised to register and submit your application using following address

<http://pirims.dra.gov.pk>

**Division of Drug Licensing
Drug Regulatory Authority of Pakistan**
