Subject: TRAINING: IMPLEMENTATION OF ONLINE SOFTWARE FOR IMPORT/EXPORT CLEARANCE (THERAPEUTIC GOODS/RAW MATERIAL)

In reference to subject noted above, the undersigned is pleased to inform that Drugs Regulatory Authority of Pakistan (DRAP) is continuously working to develop different online software to ensure the transparency and efficiency in business processes. Recently MIS Division of DRAP has developed a software “**Online Import/Export Application System**” to facilitate the industry to submit online applications related to import and export matters.

2. Simultaneously, the said system is also integrated with online fee system to provide the regulatory fee verification. Moreover, the system is fully capable to maintain the applications record (track and trace), status of applications approval and online verification of computer-generated clearance certificates.

3. In view of above an online training session is hereby scheduled on 22nd December, 2021 at 11:00 AM to train industry professionals regarding the use of “Online Import/Export Application System” (training through DRAP official face book page (live session).

4. This issue with the approval of Chief Executive Officer, DRAP.
