Drug Voluntary Recall

To,
Distributor

Subject: Retail Recall of Meronem Injection 500mg and 1g

Pfizer Pakistan is voluntarily recalling two batches of Meronem IV Injection at retail level currently on the market in Pakistan:

| Batch/Lot number | Name of the medicinal product | Pharmaceutical form and strength | Expiry Date | Quantity Imported/ Sold |
|------------------|-------------------------------|----------------------------------|-------------|-------------------------|
| 4A20B27 | Meronem IV Injection | IV Injection 1g | Aug-2022 | 104,284 Packs |
| 4A21D29 | Meronem IV Injection | IV Injection 1g | Dec-2023 | 36,344 Packs |

This recall is being conducted by Pfizer, in good faith and in larger interest of patients, due to presence of counterfeit product with same lot numbers in the legitimate supply chain for the Pakistan market, in order restrict proliferation of spurious/ counterfeit product in market

This recall is being conducted with the knowledge of Drug Regulatory Authority of Pakistan.

Please recall any remaining units and return to the following address:
B-2, S.I.T.E, Karachi-75700

We regret any inconvenience associated with this action. If you require any additional information or wish to discuss this further, please contact Pfizer Pakistan Limited, B-2, S.I.T.E, Karachi-75700, Ph: 92 (21) 32570621-5.

Sincerely

Muhammad Farooq
Quality Operations Lead
