438.	Surkh.e.Aab Feed Supplement	EEC was apprised that division undertook a big task of company wise arrangement of applications in various designated racks. Since computerization of record of submitted applications and subsequent preparation of their FIFO list, the division has been evaluating and processing files. Hence, there are chances that some product applications were disposed of but still their names are available in the FIFO list. Accordingly, EEC appreciated the services of division of health and OTC and decided to defer decision of the instant product application to check its status whether it has been disposed of or otherwise
439.	Qurbani Tonic Feed Supplement	EEC was apprised that division undertook a big task of company wise arrangement of applications in various designated racks. Since computerization of record of submitted applications and subsequent preparation of their FIFO list, the division has been evaluating and processing files. Hence, there are chances that some product applications were disposed of but still their names are available in the FIFO list. Accordingly, EEC appreciated the services of division of health and OTC and decided to defer decision of the instant product application to check its status whether it has been disposed of or otherwise
440.	Anti Gas Feed Supplement	EEC was apprised that division undertook a big task of company wise arrangement of applications in various designated racks. Since computerization of record of submitted applications and subsequent preparation of their FIFO list, the division has been evaluating and processing files. Hence, there are chances that some product applications were disposed of but still their names are available in the FIFO list. Accordingly, EEC appreciated the services of division of health and OTC and decided to defer decision of the instant product application to check its status whether it has been disposed of or otherwise
441.	Feedmix Powder	EEC was apprised that division undertook a big task of company wise arrangement of applications in various designated racks. Since computerization of record of submitted applications and subsequent preparation of their FIFO list, the division has been evaluating and processing files. Hence, there are chances that some product applications were disposed of but still their names are available in the FIFO list. Accordingly, EEC appreciated the services of division of health and OTC and decided to defer decision of the instant product application to check its status whether it has been disposed of or otherwise
442.	Asia Mineral.P Feed Supplement	EEC was apprised that division undertook a big task of company wise arrangement of applications in various designated racks. Since computerization of record of submitted applications and subsequent preparation of their FIFO list, the division has been evaluating and processing files.
