Islamabad, the 21st May, 2025.

ATTENTION: ALL MANUFACTURERS AND IMPORTERS OF MEDICAL DEVICES.

SUBJECT: TRAINING SESSIONS FOR MEDICAL DEVICE STAKEHOLDERS ON THE MDMC LICENSING & PRODUCT REGISTRATION PORTAL.

In line with its vision to promote transparency, digitalization, and ease of doing business, and as part of its continued commitment to streamline regulatory procedures through digital transformation, the Drug Regulatory Authority of Pakistan (DRAP) is pleased to announce a series of virtual training sessions for medical device importers and manufacturers across Pakistan.

2. These virtual sessions are specifically aimed at facilitating the smooth adoption and effective use of the **MDMC Licensing & Product Registration Portal**, developed to assist applicants in efficiently submitting, tracking, and managing their licensing and product registration applications.

3. The training sessions will be conducted as per the following schedule:

Date	Time
23rd May 2025 Friday	10:30 to 11:30 AM
26th May 2025 Monday	10:30 to 11:30 AM

4. Session Highlights will include:

- Step-by-step guidance on portal usage.
- Document submission procedures.
- Application tracking system.
- Common errors and how to avoid them.
- Live Q &A session with DRAP experts.

5. This initiative is in alignment with DRAP's broader vision to become a first-rate regulatory authority, ensuring the availability of safe, effective, and quality therapeutic goods through digital solutions. These sessions aim to enhance regulatory compliance while supporting the sustainable growth of Pakistan's healthcare and medical device industry.

6. All relevant stakeholders are encouraged to actively participate in the training sessions. Training link will be available on DRAP official Facebook page. Your cooperation is crucial in strengthening the medical device regulatory ecosystem in Pakistan and aligning it with international best practices.

7. This notification is issued with the approval of the CEO, DRAP.
