MINISTRY OF NATIONAL HEALTH SERVICES REGULATIONS AND
COORDINATION
DRUG REGULATORY AUTHORITY OF PAKISTAN

No.6-14/2025DDQA(VII)-0002

Islamabad, the 16th October , 2026

From
Ishtaiq Shafiq
Deputy Director-IV (QA<)

To
1- Chairman Healthcare Device Association of Pakistan, , Healthcare Device Association of Pakistan HDAP,
2- Pakistan Electromedical Equipment Manufacturers and Distributors Association PEMDA, , Lahore

SUBJECT: DEVELOPMENT OF MEDICAL DEVICES MODULE ON PSW

In continuation of this officer letter of even number, dated 17th July, 2026, on the subject cited above. It is submitted that a number of importers are currently in the process of updating their relevant data in the DRAP Medical Devices Licensing and Registration System for integration with the Pakistan Single Window (PSW) system.

2. In order to ensure timely processing and clearance of medical device consignments and to avoid unnecessary delays during this transitional phase, the DRAP Online Import and Export System (OIES) shall remain available only to those applicants who are unable to submit their import applications through the Pakistan Single Window (PSW). Accordingly, applicants who cannot access or use PSW due to data update issues may continue to submit their applications through OIES, while all other applicants shall submit their applications through PSW.

3. However, all importers of medical devices are once again advised to ensure the early completion of data updating in the DRAP Medical Devices Licensing and Registration System, including the relevant establishment licence and medical device registration details, to enable seamless processing through PSW.

4. It is reiterated that this arrangement is intended to facilitate stakeholders during the transitional period, and all importers are required to complete the necessary data updates at the earliest to ensure a smooth and permanent switchover to the PSW system.

5. This issues with the approval of CEO, DRAP.

Ishtaiq Shafiq
Deputy Director-IV (QA<)
